
CAHPS[®] Health Plan Surveys

Version: Adult Medicaid Survey 5.0

Language: English

Notes

- **Release of 5.0 version:** The CAHPS Health Plan Surveys were updated in the Spring of 2012. The updates are limited to minor changes to the wording of several items and a change in the placement of one item. These edits reflect the CAHPS Consortium's most recent findings from testing of related survey instruments. For specific information about the updates to this survey, please read ***CAHPS Health Plan Surveys: Overview of the Questionnaires***.
- **Supplemental items:** The Adult Medicaid Survey 5.0 includes core items only. Users may customize this instrument by adding questions. A document with supplemental items developed by the CAHPS Consortium and descriptions of major item sets are available on the Agency for Healthcare Research and Quality's Web site: www.ahrq.gov/cahps. For assistance in accessing these documents, please contact the CAHPS Help Line at 800-492-9261 or cahps1@westat.com.

Instructions for Format of Questionnaire

Proper formatting of a questionnaire improves response rates, the ease of completion, and the accuracy of responses. The CAHPS team's recommendations include the following:

- If feasible, insert blank pages as needed so that the survey instructions (see next page) and the first page of questions start on the right-hand side of the questionnaire booklet.
- Maximize readability by using two columns, serif fonts for the questions, and ample white space.
- Number the pages of your document, but remove the headers and footers inserted to help sponsors and vendors distinguish among questionnaire versions.

Find additional guidance in *Preparing a Questionnaire Using the CAHPS Health Plan Survey*.
