COVERED CALIFORNIA MEMBER FINANCIAL RESPONSIBILITY

Preferred IPA participates in both the “Molina Marketplace” and “LA Care Covered” Covered California plans.

These plans offer some preventive care at no cost. This means that members may have no co-pays or co-insurance, and do not have to meet their deductible for some services.

Preventive care with no member payment includes such services as:

- Preventive Care Office Visits
- Well child visits
- Well woman exams
- Prenatal Visits
- Post-Partum Exam
- Family Planning Services
- Pediatric Vision Services
- Pediatric Dental Services

The physician office should check the member’s ID card or with the health plan to confirm the applicable copayment for the visit.

In addition, please see the quick glance benefit documents on the health plan website:
