
PROVIDER BULLETIN

CHDP PM160 UPDATE

Below is information you may have read or seen regarding the changes to fee for service Medi-Cal CHDP billing effective July 1, 2017.

The Health Plans require that providers continue to submit the PM160 with the CMS1500 for managed care CHDP visits until further notice.

Change to Fee for Service Only:

Child Health and Disability Prevention (CHDP) providers who bill CHDP will start billing services directly to Medi-Cal in accordance with HIPAA national standards. Transitioning from billing two-character CHDP codes on the *Confidential Screening/Billing Report* (PM 160) to billing with CPT-4 national codes on the CMS-1500 or UB-04 claim form, or electronic equivalent, will occur in two phases:

- Phase 1:** Transitions clinical laboratory-only services effective for dates of service on or after February 1, 2017.
- Phase 2:** Transitions the remaining CHDP services with effective dates of service on or after July 1, 2017.
