Office of Inspector General (OIG)-List of Excluded Entities/Individuals System for Award Management (SAM)-Exclusion List

OIG and SAM provide information to the health care industry regarding individuals and entities currently excluded from participation in Medicare, Medicaid and all other Federal health care programs.

It is a CMS requirement to do an employee search of the below websites on a monthly basis, then keep the documentation for 10 years. The best practice is to do a print-out or print-screen of the search result.

OIG searchable database: <https://exclusions.oig.hhs.gov/>

SAM searchable database: <https://www.sam.gov/>

To comply with the requirement, Preferred IPA shall request from the provider office an annual attestation. Please put an "X" in the blank and sign the attestation below. If you have any questions, please contact Liza Johnson at (818) 265-0800, x232 or by email at ljohnson@preferredipa.com
