

## COVID-19 Testing Centers

**Before you go to a testing center, it's very important that you call the facility ahead of time even if there are long hold times on the phone. They'll help you understand the requirements specific to visiting their facility, and they'll give you guidance on how to protect yourself and others from exposure to COVID-19 and other viruses like the flu. Most testing sites require a referral from a provider.**

Testing Center	Address/Phone#/Hours	website/screening tools	Testing Eligibility/Special Notes
