The Testing Task Force is focusing on:

- Ensuring California has lab capacity to rapidly turn around test results and increase capacity strategically to meet demand;
- Improving the supply chain to ensure that California can both collect samples and evaluate results without delay;
- Enabling new, high-quality tests to launch in California as soon as possible;
- Improving our ability to accurately track and evaluate COVID-19 testing capacity, results and reporting; and
- Building the workforce necessary to meet our testing goals.
