Important update about your appointment

Effective immediately, the first hour of each day at Quest Patient Service Centers is dedicated to patients aged 60 years and older and others at high risk for coronavirus (COVID-19) as part of our “Peace of Mind” program.

If you have an appointment scheduled during the first hour that a Quest Patient Service Center is open and do not meet this criteria, we ask that you reschedule for another time.

To identify a nearby Patient Service Center and the time it opens, please visit:

[QuestDiagnostics.com/Appointment](https://www.questdiagnostics.com/Appointment)

The “Peace of Mind” program is part of Quest’s efforts to protect the health and safety of our patients, employees, and the communities we serve during the COVID-19 outbreak. We appreciate your cooperation in helping us provide specimen collection services for those among us who are most vulnerable to COVID-19 infection.

Sincerely,

Quest Diagnostics

Please remember that Quest Diagnostics patient service centers are not accepting patients with suspected or confirmed COVID-19 and are not collecting specimens for COVID-19 testing. Specimens are to be collected by hospitals, physician offices, and clinics.
